Saint Louis Football Machine Does Great Work And Crushes Mauities

Visitors Show the Gridiron Game At Its Best; Remarkable Offensive Sweeps All Before It

St. Louis 45—Wailuku 0.
St. Louis 56—Lahaina 0.
The expected happened and the St. Louis football team smothered the two Maui organizations that went up against it. The defeats were, no discredit to the Maui players, however, for the school players are wonderfully organized especially in offensive work. The interference given the runners was superb and the passing behind the line was a revelation. To see the working of such a human machine was a rare treat to any lover of the gridiron game.

Sunday's crowd was the biggest of the season and was considerably larger than yesterday's which, however, was one of the best of the year.

Strat Off Poorly

Things started badly for the locals Sunday. The Saints kicked off and secured the ball in the kick off when the Wailuku back fumbled. A red and blue player fell on it on Wailuku's 12 yard line. There the Wailuku held for downs, however, and then punted but the St. Louis interference came into play and the ball was carried back clear to the 10 yard line. The Saints made two yards through the line and five by another plunge and then lost a yard but on the next play Blaisdell went through for the necessary distance and a touch down. It was converted on a forward pass. Saints 7.

St. Louis kicked to the 15 yard line and the ball was run back to the 30 yard chalk mark. Foster Robinson after two short gains through the line made it a first down for Wailuku. A five yard loss and two failures of forward passes and Wailuku punted. A Saint player fumbled but Pua Kealoha picked it up and ran through the entire Wailuku team for a touch down. To kick failed. Score St. Louis 12.

Tatties Comes Fast

Again the Saints kicked off to the 15 yard line and the ball was run back 15. After two efforts for only two yards gain St. Louis penalized. Kane made three yards for a first down and another plunge through the line by Silva put the ball on the 42 yard line and the period ended.

In the second period Wailuku lost the ball on its 40 yard line. A forward pass put the pigskin on the 35 yard line and then Blaisdell made a superb dash through the line to the one yard mark. The next plunge Rosa went over for the third touch down. The attempt to convert failed. Saints 19. Wailuku kicked to the 10 yard line but a Saint player brought it back 30. A plunge netted 5 and then Wailuku held and the Saints punted. Ted Hair muffed the punt and it was St. Louis ball on the 14 yard mark. Rosa took the ball over on the next play. Effort to convert failed. St. Louis 25—Wailuku 0. The half ended here.

In the next quarter Bertleman of Wailuku was carried off field with a fractured leg. Swan made the next touch down on a line end run after a double pass. It was converted; 32 for the Saints.

Swan scored again for the Saints on a 30 yard run. Effort for goal failed. Score 38 to 0. Here Wailuku rallied and made first down twice and had the ball on the Saints 42 mark when the third quarter ended.

In the last quarter Sam Hipsa scored once more for the Saints, turning left end for 11 yards. In this quarter Lefty Chartrand had to be carried off and there were rumors that his leg had been fractured, but he was out as a spectator of yesterday's game.

Lahaina Smothered

Yesterday attempted to hold the visitors down but failed hopelessly. Four times Lahaina made it first down and was game all the way through. St. Louis kicked off and Lahaina ran to the 49 yard line. Lahaina fumbled, made short gains and then punted. Hipsa got the ball on his own 25 yard line and with marvelous interference perfectly followed ran 75 yards for a touch down. Effort to convert failed.

Swan again kicked to yard line; run back 19; Lahaina couldn't gain and punted to the center; ball run back to 35. Blaisdell took a forward pass for a touch down; converted; 34.

Hawaii University Wins Fine Victory From Pomona Boys

(ASSOCIATED PRESS)
HONOLULU, Dec. 26.—For the first time in the history of football in Hawaii an island team has defeated a college team from the mainland. The University of Hawaii did the trick with Pomona yesterday afternoon before a great crowd taking the visitors into camp by the score of 26 to 6 and outclassing them in every branch of the game.

The Sunday football feature between St. Mary's and the "All-Stars" was won by the visitors 19 to 6. It was a great game and was witnessed by 3000 spectators. The Saints scored first with a place kick from the 20 yard mark. Brush scored the only touch down for the locals and the half ended 6 to 3 for the locals. In the third quarter the Saints scored a touch down and added the extra point.

INTER-ISLAND TO BOOST STOCK

(ASSOCIATED PRESS)
HONOLULU, Dec. 26.—The Inter-Island Steam Navigation Company has notified the Territorial treasurer that the company will increase its capital stock from \$3,500,000 to \$5,000,000.

St. Louis kicked off again. Lahaina made it first down in the center of the field but Hipsa intercepted a forward pass and ran half the length of the field for a touch down. No goal; 19-0.

St. Louis dribbled and fell on the ball on the 46 yard line. The quarter ended with the ball in the Saints possession. A forward pass and an end run took the ball to within four yards of the West Maui goal. Blaisdell carried it over; no conversion; 25-0.

Still They Come

Cabrinha made the next touch down with a 23 yard run.
Again Lahaina was making first downs in this quarter when Wright intercepted a forward pass and ran over the Lahaina line. Score 37. The half ended with that score.

Swan scored a touch down for the visitors quickly in the third period and six points more added. The honor of the next went to Rosa and a goal brought the total to 56.

In the fourth period Henry Robinson made the best gain for Lahaina crashing through the opposing line for 15 yards but Lahaina could not gain further and had to punt. Hipsa made the last touch down, effort to convert failed and the final score was 56 to 0.

Alerts Win Game

The one honor that came to Maui was the victory of the Alumni Alerts at the cassaba game Saturday night in the Wailuku gym 18 to 16. It was a splendidly played contest with the teams as evenly matched as the score indicates. As the game ended there was an unfortunate mix up in the heat of the excitement.

Ten Days' Schedule For Maui Meetings Of Butler Prepared

Mr. and Mrs. Fred Butler will arrive on Maui by the Mauna Kea tomorrow afternoon to spend ten days on Maui in meetings at various places. Mr. Butler is a singing evangelist. He has a well trained voice and puts the Christian message in song with effective appeal. Speaking as well as singing, Mr. and Mrs. Butler are able to take entire charge of a meeting. Sittings have arranged for next January.

Philippines To Yield 300,000 Tons Of Sugar

MANILA, P. I., (By Associated Press Mail).—Grinding of the 1922-23 sugar cane crop has already begun. Rough estimates of the crop to be harvested place it around 300,000 tons of export, including centrifugal and muscovado sugars, which is approximately the same as last year's output.

The cane crop on the island of Luzon is somewhat smaller than that of a year ago owing chiefly to damage by locusts but manufacturers estimate that in Negros and other parts of the archipelago the crop will be slightly above that of 1921, making the total approximately the same as that of last year.

"Over the island of Luzon as a whole the production will probably be somewhat less than that of last year," said R. Renton Hind, general manager of the Pampanga Mills at Del Carmen, province of Pampanga. "But plowing conditions continue excellent for the planting of the new crop and the indications are for a banner crop in the 1923-24 season."

LOANS SHOW FARM GROWTH

NEW YORK. (By Associated Press Mail).—Portrayal of the remarkable expansion of American agriculture, up to November first of this year, was pictured in original investment statistics of life insurance companies submitted at the Sixteenth Annual Convention of the Association of Life Insurance Presidents here. These figures, presented by President William W. McClench, of the Massachusetts Mutual Life Insurance Company, of Springfield, Mass., show that the farm mortgage loans held by American life insurance companies have doubled in less than five years and the total, \$1,418,000,000, is now in excess of the companies' loans on city property.

EX-KAISER LOSES

(ASSOCIATED PRESS)
BRUSSELS, Dec. 26.—The court of appeals has sustained the decision of the lower courts that the former Kaiser is barred from collecting interest on the British bonds he holds.

He tried to conceal his ownership by sending the coupons through a Dutch Bank for collection.

Hungarian Artist Is Man Of Charm And Has Rich Talents

Laszlo Schwartz, violinist, musical composer, writer and cartoonist reached Maui Saturday night on the Mauna Kea and has been giving the island a "first over." He will be heard publicly first tonight at Punene theater and tomorrow night will make his appearance in the Wailuku Hipp. Charm of personality is the first thing one notices on meeting the talented Hungarian. His English is as fluent as if he were born of English speaking parents and his manner is

Laszlo Schwartz

easy and graceful. One can at once perceive that he is the bright, clever speaker and writer he is said to be. He is now on a world concert tour and at the same time is gathering data for a musical novel he is to write.

Every violinist loves his "fiddle" and Laszlo Schwartz is very proud of his and justly for it is an instrument of wonderful tone. Yesterday afternoon he showed his pride in it when he rendered some truly delightful numbers in his room at the Grand Hotel. Its tone is of wonderful depth and sweetness and the owner is a master musician. One can understand that he is one of the most successful musicians of today. He has composed numbers of songs and other musical creations, is a lavish contributor to musical journalism and in addition to this is an especially clever cartoonist.

Tomorrow he will tell in Maui News something of his impressions of Maui.

Scientist Protests Marriage Control

BERKERLY, CAL., (By Associated Press Mail).—Twenty five thousand year shave improved the human race only one percent, although civilization itself has improved 10,000 percent in the same period? Professor A. L. Kroeber of the department of anthropology of the University of California here, declared recently in opposing the regulation of marriages.

"Many persons at the present time are advocating birth control in the sense of marriage regulation," Professor Kroeber said; "that is, prohibiting the marriage of all but 'desirable' parties."

"Now, some persons, while they might be normally or exceptionally well developed in the characteristics in which they are examined, might be absolutely undesirable in traits which do not show on the surface."

"On the other hand, many so-called undesirables have in their blood traits well worthy of reproductions."

Ships Assigned For Philippines Sugar

MANILA, P. I., (By Associated Press Mail).—The United States Shipping Board has agreed to furnish two steamers a month to the Philippine Sugar Central Agency for the exportation of sugar to the United States. The freight rate it is said will be more favorable to the shippers than that of last year which was \$3.75 a ton. One steamer a month will sail for the Atlantic coast and the other for the Pacific.

The Philippine Sugar Central Agency operates the sugar centrals which are controlled by the Philippine National Bank. The bank took control of the sugar centrals in the hope of recovering a portion, if not all, of the money loaned to the centrals in 1918 and 1919. The output of these centrals is expected to be about 75,000 tons, during 1922-1923.

Europe's Plight Causes Growing Alarm In U. S.

Kahn Suggests Methods of Aiding; McCormick Says Gravest Events May Be Expected This Winter

(ASSOCIATED PRESS)
NEW YORK, Dec. 26.—Otto Kahn has written Senator Smith of Utah outlining a plan for American aid in European situation and simultaneously to meet the sentiment against the cancellation of debts. He favors a cancellation of at least a part of the indebtedness in consideration of European measures for stabilizing world conditions and suggests the promoting of funding of two and three quarters billions loaned after the armistice with interest at three or three and a half percent and a sinking fund of one percent and to treat the remainder of the indebtedness in accordance with the economic and financial conditions of the debtor countries.

WASHINGTON, Dec. 26.—Senator McCormick, returning from Europe, states that the "gravest events may be expected before the end of the winter" unless the allied governments use a "greater economic wisdom than has heretofore formed their policies."

Japan Has Plans For Reorganized Navies

(ASSOCIATED PRESS)
TOKIO, Dec. 26.—Admiral Ide, speaking for Premier Kato who is ill, told the peers today that if France and Italy failed to ratify the Washington naval treaty an agreement to carry it out might be arranged between Japan, the United States and Great Britain. He said Japan is already preparing a plan for naval reorganization so long as the United States has not altered its auxiliary ship building program. Japan will follow out its program announced last summer, maintaining a ratio of six to America's ten.

Comparing the relative power of the navies he said Japan is superior in speed and in docking accommodations. The diet convenes tomorrow.
